Therapeutic Massage

Tranquila Signature Massage

Derived from the ancient healing technique of Filipino Wellness, this treatment starts with "Cupping" a tradition used in eliminating myofascial knots and stiffness in the muscles, followed by Philippine's very own "Hilot" massage.

net per pax for 90 minutes

Masaje de Bambu

Our very own version of deep tissue massage and myofascial treatment. Heated bamboo sticks or "Kawayan" in different sizes are used in the treatment. During the session, the heated bamboo takes the place of the therapist's hands and fingers, this technique allows for deeper, stronger, and firmer pressure.

Tranquila Journey

Rebalance (Exfoliation, Massage, Vibrational Sound Therapy)

Calming the body and mind is essential to achieving harmony. The treatment starts with dry brushing to stimulate nerve endings followed by a full-body scrub of your choice. A holistic stretching to improve flexibility and increase range of motion, and breath work to enhance mindful breathing. Your treatment ends with vibrational sound therapy. Our body is composed of 75% water, and water is a great conductor for vibration. When vibration travels through the body they promote circulation. It also synchronizes brain waves to achieve profound states of relaxation.

Php5,800/ net per pax for 220 minutes

Release (Kawa Soak, Exfoliation, Massage, Facial)

A remedy for mental and physical fatigue. This treatment starts with a Kawa Hot Bath using authentic essential oils, Lavender and Bergamot to enhance relaxation with anti-inflammatory properties, Epsom salts to stimulate the lymphatic system, and absorption of magnesium which aids in improved sleep. Choose from coconut or coffee body scrub to take out dry and dull skin cells. A full-body relaxing massage followed by an Aloe Vera facial to decongest your sinuses and open the body's cleansing channels.
